

Request for verification: Release of personal survey data

In 2011, National Household Survey (NHS) questionnaires included a question about the release of personal survey information after 92 years. This form allows you to verify your response to this question.

I would like to verify my response to the consent question on the 2011 NHS questionnaire.

Note: A separate form is required for **each** member of the household who wishes to verify their response to the consent question.

Please provide the following information for the person requesting verification:

1. Name:

2. Current mailing address

3. Address in May, 2011

4. Date of birth (required for validation purposes only) _____

5. Current phone number _____

6. Signature of applicant* _____

***If the person requesting response verification is currently under the age of 16,** a parent or legal guardian may sign in his or her place. In all other cases, only the person authorizing a verification of response may sign.

7. Date _____
